

# REDEFINING THE ART OF **SEATING**

The Seating Spectrum logo incorporates a "S" mirroring each other embracing a heart shape in between. This is designed to reflect the Company's unwavering commitment to care coupled with our sincerity and energy with each customer we work with. The two "S" mirroring each other also reflects our strength in Service and Solution.

Seating Spectrum was incorporated in 2011 supported by an experienced team led by its founder who has more than 20 years experience in the public seating industry. Since its inception, Seating Spectrum has focused on meeting customer's needs for public seating by offering a wide range of seating for cinemas, theatres, auditorium halls, convention centres and sports venues. Our seats are customised in design and finishes to meet the customers' requirements especially in comfort, aesthetics, durability and costs aspects. Seating Spectrum seats are produced with stringent quality control in production with assurance of quality in materials by our valued supply partners. As a dynamic company, our R&D team is continuously improving our range of seats in designs, easier installation, maintenance and adaptability to different venues.

Our core values of quality, flexibility and value to meet our customers' needs enables Seating Spectrum to significantly increase its efficiency and remain competitive in today's ever-changing marketplace. At Seating Spectrum, it is of paramount importance that every customer be completely satisfied with our products and services, from the prospect phase of the project to final installation and throughout the life of the chairs.

# AUDITORIUM SEATING

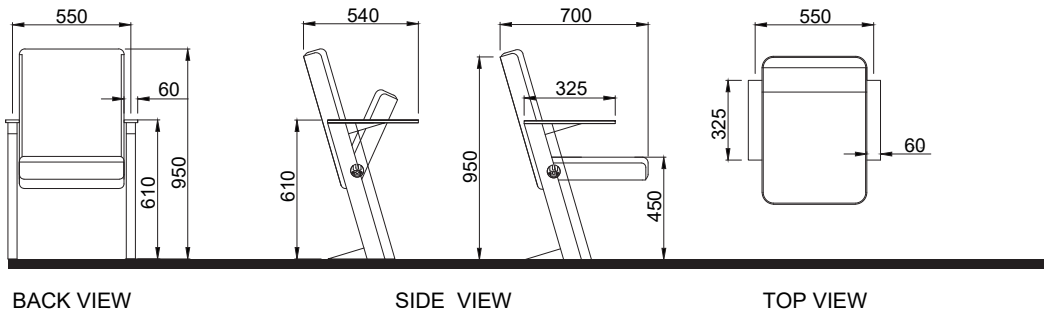

| POLO

The POLO range is a simple and elegant pedestal gravity fold up seats. The large seat and armrests, ergonomically contoured backrest with good lumbar support provides comfortable seating for many hours. It features clean lines with an exposed wood outer. The tapered wood outer back and horizontal upholstery design adds a high level of sophistication to this POLO range.

## POLO

*Selected dimensions can be customised.*

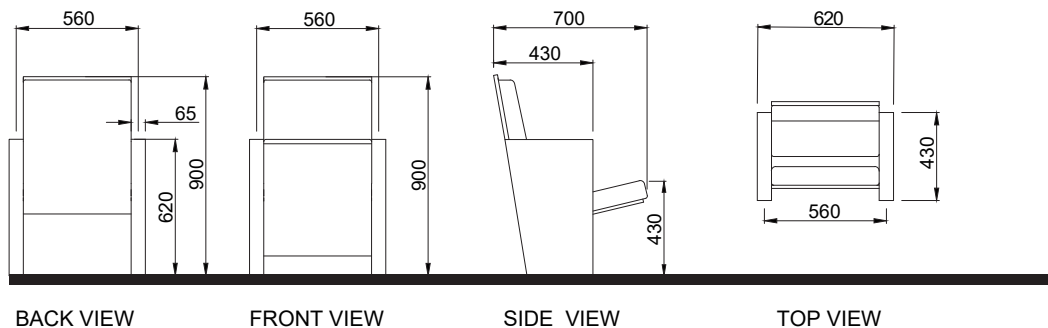

| INSPIRA

The INSPIRA range is a great seating solution for auditoriums, arenas and suites in the education, sports and performing arts. It features a padded, upholstered and an exposed wood outer back. The outer back panel exudes a sense of European touch and comfort. The INSPIRA range is designed for optimising and taking the maximum advantage of space.

## INSPIRA

*Selected dimensions can be customised. All structures are Patent Pending.*

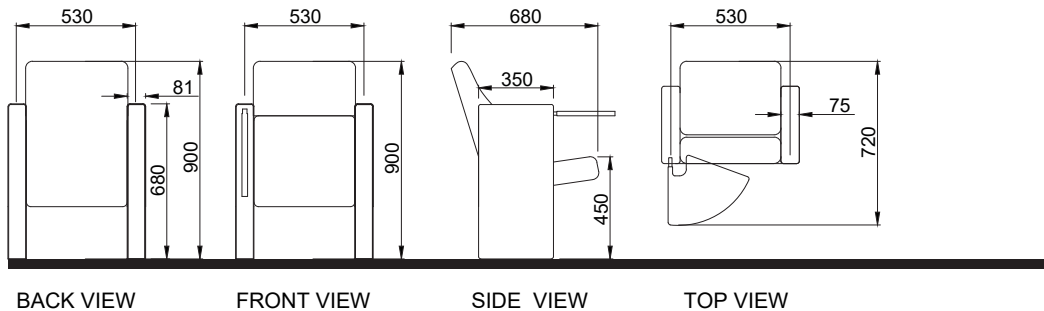

| LEGENDA

Taking form and function to the next level, the LEGENDA range of tablet arms – for writing, laptops and more – offer style with highly advanced functionality. Uniquely designed to be an integral part of the chair, our tablet arms complement LEGENDA design lines, stow within the seat space, and feature a proprietary control mechanism for quiet, reliable and safe tablet return.

## LEGENDA

*Selected dimensions can be customised. All structures are Patent Pending.*

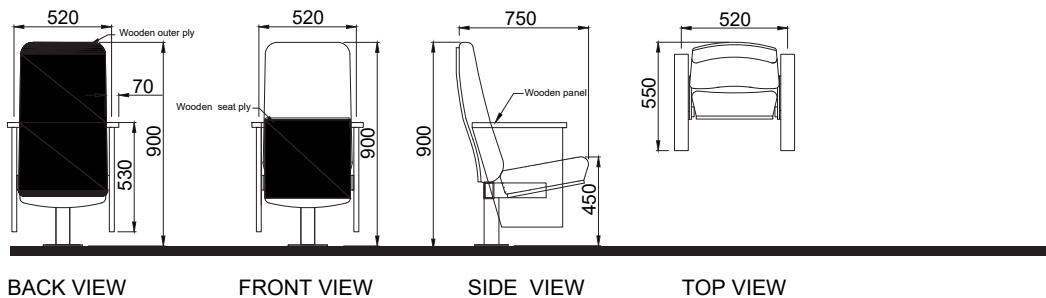

| GLASGOW

The GLASGOW ensures maximum comfort in auditorium seating. A wider seat with the fully laminated wooden outer ply available in various colour options to match the interior theme of the auditorium and a side that extends to the ground - these are the elements that convey innovative design and functionality.

## GLASGOW

*Selected dimensions can be customised. All structures are Patent Pending.*

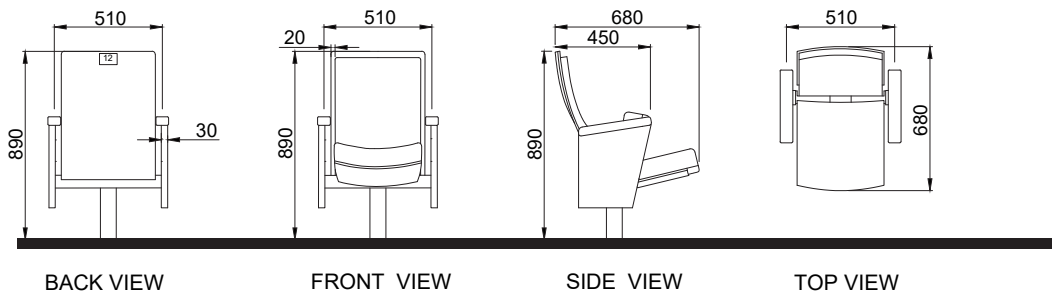

| OXFORD

The Oxford range has an upscale, refined look with minimal exposed fasteners and a fresh, contemporary design. It improves audience attention and retention with superior seating comfort. The foam cushions provide the ultimate in seating comfort and the lumbar and upper back support reduces shoulder and neck tension.

## OXFORD

*Selected dimensions can be customised. All structures are Patent Pending.*

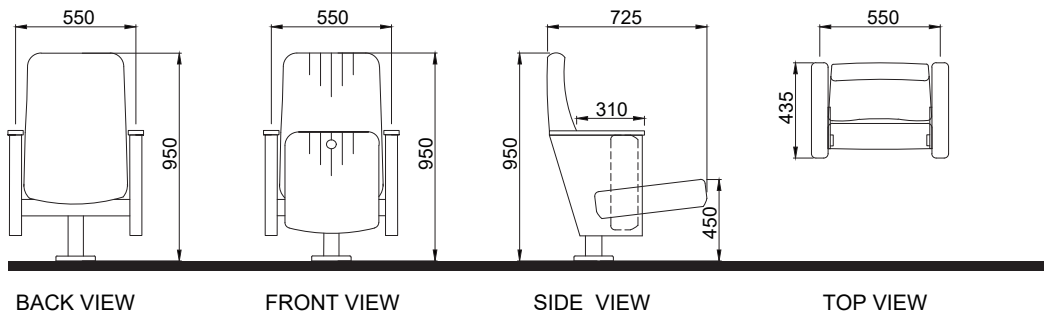

| RAV PLUS

A fully upholstered high-backed chair with a wide seat, RAV PLUS ensures maximum comfort in auditorium seating. They are ergonomically designed for superior ergonomic and posture support and suitable for prolonged hours of seating.

The RAV PLUS offers all the best features of a taller auditorium chair with the functionality of a smaller chair.

## RAV PLUS

*Selected dimensions can be customised. All structures are Patent Pending.*

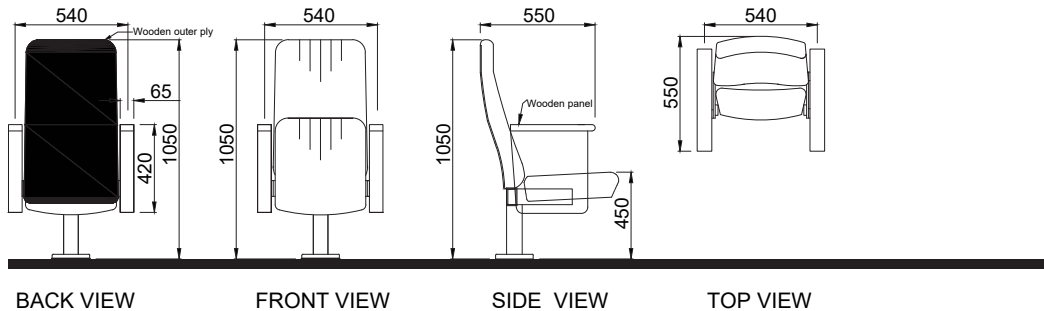

| RAV REMIX

RAV REMIX is a range of modern design and technologically advanced auditorium chairs. This range provides the necessary support for maximum comfort.

It is aesthetically and elegantly designed for today's modern auditoriums with the fully laminated wooden outer ply available in various colour options to match the interior theme of the auditorium.

## RAV REMIX

*Selected dimensions can be customised. All structures are Patent Pending.*

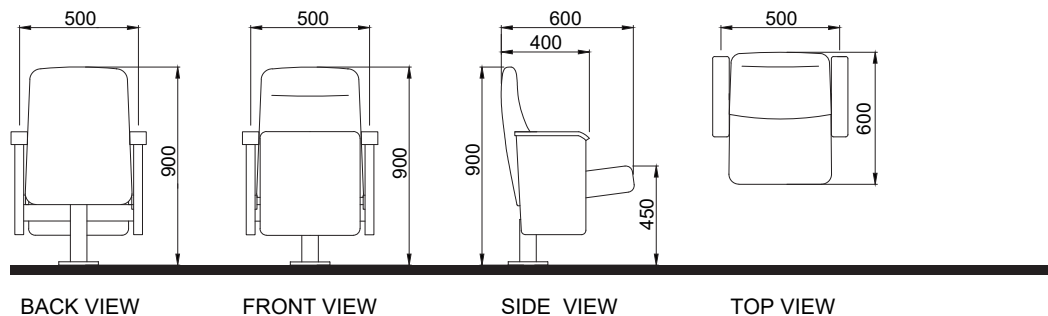

| REGENCY

The REGENCY range comes with plush comfortable seats and backrest to enable long hours of seating. Loaded with spring pivots in the seats that revert to a vertical position in order to save space like in auditoriums, this range comes in colourful option fabrics.

## REGENCY

*Selected dimensions can be customised. All structures are Patent Pending.*

## **Mission Statement**

Our mission is to create Value for our customers through Reliability, Flexibility, Integrity, and Speed. It is our goal to ensure our mission by continuous self improvement, growth in our operations and employees; while maintaining profitability to the benefit of our customers, employees, and community.

## **Vision Statement**

The vision of Seating Spectrum is to be a premier manufacturer of top quality products. We dedicate ourselves to be the supplier of choice in the public seating industry.
